NEW

10 ROUNDS

10 ROUNDS

- Two 10 round magazines coupled together to allow for faster reloads and access to more firepower in ban states
- When coupled, has same profile as a 30 round mag for compatibility with most mag pouches
- Manufactured in North America using quality domestic materials
- Durable and impact resistant, designed to withstand frigid temps, rough handling, and competition use
- Designed for 5.56 and .300 BLK. Transparent polymer allows for quick view of caliber and number of rounds remaining
- MSRP \$39.95 for a package of 2 magazines
